

<u>Curriculum Intent</u>	<u>Curriculum Implementation</u>	<u>Curriculum Impact</u>
<p>To develop students range of skills including a commitment to a physical training program, volunteering for people with greater needs than themselves, learning a new skill and finally expedition skills.</p>	<p>The curriculum runs over two years and develops the student’s skills in camp craft including tent pitching, stove cooking, map work, navigation, first aid, emergency scenarios and the weather. As well as this student will have the opportunity to engage in after school activities such as Drama, Web Site Building, Sports Leaders and Volunteer Club. All activities offered enable students to pass all four sections of the award.</p>	<p>Students will leave the award with a sense of achievement. Students will have learnt a new skill, improved their fitness and will have help students with special needs. The final expedition will have allowed student to develop team work, mental toughness, resilience</p>
