

<u>Curriculum Intent</u>	<u>Curriculum Implementation</u>	<u>Curriculum Impact</u>
<p>To develop student’s skills to enable them to lead a number of sporting events and activities in groups or as individuals.</p>	<p>The curriculum runs over two years and takes the form of modules. Each module will develop and test different skills set the students will need to become sports leaders. Modules included are refereeing, circuit training, personal trainer, football tournament director and orienteering event organiser. The skills developed will include communication, organisation, problem solving, risk assessing, budget management, letter writing, adaptations, feedback and self reviewing.</p>	<p>Students will develop skills that will prepare them for further education opportunities in the health and leisure industries as coaches or personal trainers.</p>
