

## College Open Evenings – 2021/2022

Most College & 6<sup>th</sup> Form websites offer virtual tours and lots of info on their websites

What to do before attending an open day:

- Before attending any open event, please confirm the need to book, date(s) and times with the college or sixth form. **All events are subject to change, particularly as government guidance on Covid-19 is updated.**
- Read through the prospectus to help you plan which courses you want to know more about.
- Make a list of questions to ask.
- Plan to create a positive first impression on the college staff you talk to at the event: one of them could be your future tutor!
- Can't make an open event? Many colleges have tour videos and other information on their website, which are available all year round.

Please note: these dates and timings are correct as of 27/08/2021 and are subject to change – we would urge you to check the college website regularly, prior to attending.
