

Mental Health & Wellbeing

<p>Meet & Greet Every student is greeted by a welcoming teacher each morning at the entrance of the Secondary building. Mr Jenkins greets KS4 and Mr King greets KS3.</p>	<p>Sensory Room We have two sensory rooms with visual, auditory and physical stimuli to help pupils regulate their sensory needs. One of these rooms is in Rainbows class.</p>	<p>School displays Photos of pupils and their work are displayed around classrooms and corridors to celebrate their achievements.</p>	<p>Merits Pupils are celebrated for all their achievements and rewarded with merits. These merits count towards a whole team score.</p>
<p>After school clubs Pupils are encouraged to attend a variety of extra – curricular clubs. Including; Sports, Drama, train, craft and themed clubs like Harry Potter club.</p>	<p>School Council One student from each tutor group is voted to be on the school council. Meetings are used to share pupils amazing ideas to help improve the school.</p>	<p>Class timetables Symbols are used consistently throughout classes to show pupils what to expect in their school day. Each student receives an individual timetable.</p>	<p>Inter-house events Students have the opportunity to represent their teams in Austen, Dickens, Tennyson and Bronte.</p>
<p>ELSA Miss Sanders and Miss Barbrook are Secondary ELSA's who are there to support children with their emotional awareness and coping mechanisms.</p>	<p>Forest School Mrs Daubney is our Forest Skills Leader who takes pupils for outdoor sessions where they love to learn through nature. This is offered on the enrichment afternoons too.</p>	<p>Attachment awareness All staff have received training in attachment awareness to help us best support the pupils with any attachment difficulties.</p>	<p>Enrichment KS3 engage in various activities on Wednesday afternoons. Activities include Paddle boarding, school newspaper, debating and many more.</p>
