

College Open Evenings – 2024/2025

What to do before attending an open day:

- Check whether you need to book a date and time with the college or sixth form, most are now bookable online.
- Read through their prospectus / website to help you plan which courses you want to know more about
- Make a list of questions to ask
- Plan to create a positive first impression on the college staff you talk to at the event: one of them could be your future tutor!
- Can't make an open event? Many colleges have tour videos and other information on their website, which are available all year round.

Please note: these dates and timings are correct as of 04.09.24 and are subject to change – we would urge you to check the college website prior to attending.
